Attendance for **1 day per week = \$244.00 per month.**

Multiply this figure by the number of days per week that your child attends, for the monthly cost.

Example: Attend Tuesday, Wednesday and Thursday weekly

= 3 days @ \$244.00

= **\$732.00 per month x 10 = \$7320 per annum.**

Early Learning days available: Tuesday, Wednesday and Thursday.

The Kindergarten fee is calculated on the number of **sessions** per week that your child attends (1 session = 1 morning, or 1 afternoon).

Fees in the above table are based on **full-time attendance** (i.e. 10 sessions/5 days per week).

Attendance for **1 session** (= 1 morning or 1 afternoon) per week: = **\$79 per month.**

Attendance for **2 sessions** (= 1 full day) per week: = **\$158 per month.**

Attendance for **4 sessions** (= 2 full days) per week: = **\$316 per month.**

Example: Attend Monday Tuesday & Thursday am & pm weekly (3 full days = 6 sessions)

= 6 sessions @ \$79.00

= **\$474.00 per month x 10 = \$4740 per annum.**

Kindergarten sessions available: Monday to Friday am & pm (10 per week).

Please note:

Kindergarten students should ideally enrol at a minimum of four sessions per week. This should progressively increase to at least eight sessions by the commencement of Term 3 in the year preceding their entry in to Prep.

When students commence at the school, or increase kindergarten sessions later in the year, monthly instalments will be adjusted for the appropriate enrolment period.
